RATING

Customer satisfaction

Filing a claim promptly helps ensure all storm-related damage is properly identified before it worsens or policy deadlines expire. Cox Roofing meets the insurance adjuster on-site, documents all damage, and reviews the scope of work to help **maximize** the claim so repairs meet code and manufacturer requirements.

By signing below, **I understand this document does not restrict me solely to Cox Roofing & Restoration LLC.** Cox Roofing has made me aware that I retain the right to select another contractor if I please. I understand that there are no charges for these inspection and documentation services. Contractor cannot act as a public adjuster. Illinois law (815 ILCS 513) prohibits contractors from paying or rebating insurance deductibles.
